10 March 2009

Hair raising event at Bunnings Warehouse Manukau

WHAT: Bunnings Warehouse hosts public shave-off for charity
WHEN: Saturday, 14 March 1pm – 3pm
WHERE: Bunnings Warehouse Manukau
WHY: To support people in Manukau living with a blood cancer during Shave 09

This Saturday, as part of their community fun day, Bunnings Warehouse Manukau is holding a public head-shaving event to raise money for the Leukaemia & Blood Foundation's Shave for a Cure, 09 campaign.

Bunnings Ltd. marketing manager Stanley Hebden says "the event will help bring this national issue to a local level and will help to raise awareness in Manukau about leukaemia, lymphoma and related blood conditions."

"The event will provide the opportunity for the community to get involved with Shave 09 by participating in the public shave-off and helping to raise funds for the cause.

"We'd like to inspire as many people to shave their heads and fundraise as much as we can. Bunnings Warehouse Manukau will see two team members lose their locks on Saturday and we are hoping to encourage others to do the same," said Stanley.

All funds raised by Bunnings Warehouse during the head-shaving event will go towards funding three key components of Leukaemia & Blood Foundation's work – patient support (which costs \$1,000 a day to provide), awareness and research.

Media are invited to attend the event. Photo opportunities of head shaving will be available.

Visit www.shaveforacure.co.nz to find out more or to register your interest in being part of Shave 09.
