

Blood Cancer Patient Forum App

The Blood Cancer Patient Forum app is a great way to keep track of all the sessions during our virtual forum. You will be able make your own itinerary, click on links to view all the talks during the day, as well as see the bios of each speaker and more.

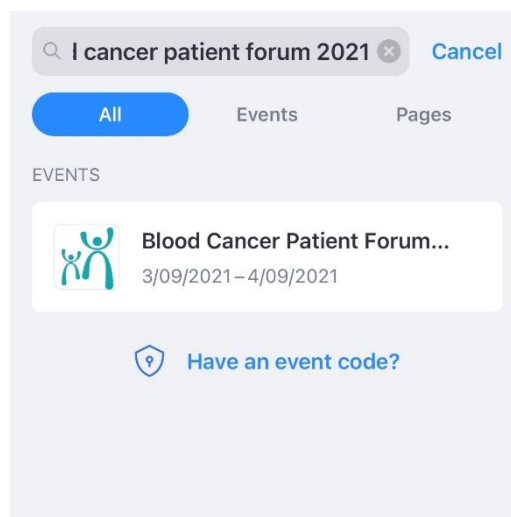

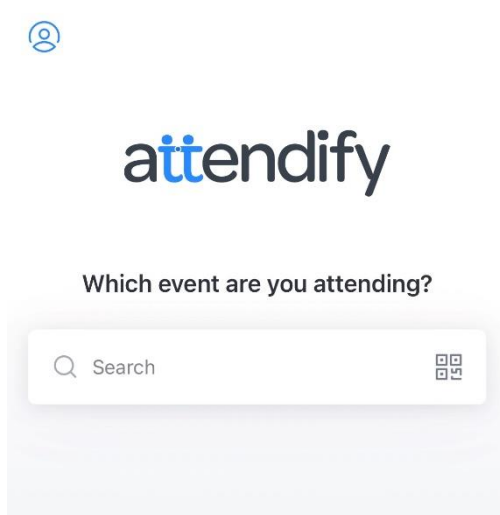

The app will allow you to connect and chat with other patients, support persons and LBC staff who will also be attending virtually.

Please see instructions below on how to download this app.

1. Search 'Attendify' in your mobile phone app store.

2. Once the app has finished downloading, open it and search 'Blood Cancer Patient Forum 2021' and click 'join'.
